Re: Your NDACo Scholarship Application

Thank you for your interest in the North Dakota Association of Counties/Institute of Local Government Scholarship Fund. As a non-profit association that provides services to county government, NDACo strongly believes in education and the future of North Dakota's youth. That is why we created this scholarship fund through our education subsidiary, the Institute of Local Government. You will one day be the leaders of our communities, counties and state.

We sincerely hope you will consider the rewards of a career in public service, where you will gain the rewards of knowing your work helps to make your world a better place to live.

If chosen as a recipient, you will be invited to be recognized at the NDACo Annual Conference and Expo in Bismarck in October.

Scholarships will be evaluated using a ranking system which considers several factors in the following order of priority:

- Leadership, Volunteerism
- Honors, Awards
- Personal Statement and Essay
- Academic Achievement

I encourage you to read through the Frequently Asked Questions at www.ndaco.org/scholarships before completing this application.

On behalf of NDACo, ILG, and the many individual and corporate donors from across the state, I wish you the very best for your education and future career.
